MSR/MSM Set: DNA

QMM Medley: DNA

AOCDSPB was founded and formed in 2012. We are a service band and were formed for the purposes of honoring our fallen brothers and sisters in law enforcement. We primarily honor our fallen in Orange County, but if possible will travel to accomodate any law enforcement agency in need of a pipe band to honor one of their own. We travel to Washington DC each year for the National Law Enforcement Memorial. We honor them yearly at our own Orange County Law Enforcement Memorial, and also in Sacrament at the state level. We perform on the ice at the Honda Center each year for law enforcement appreciation night at the Anaheim Ducks game. We also take part in many funerals, conferences, celebrations and fundraisers. We are also honored to take part in any military function to honor the men and women in our armed forces.

The AOCDS Pipe Band is made up of law enforcement officers both active and retired from different agencies. We also have civilian members whos passion it is to also honor our fallen.
