

## Contest Rule Proposal-Submitted by Jeff Mann, WUSPBA President

Review all WUSPBA documents and change the term professional to open. This change will include solo piping, side drumming, tenor drumming, and bass drumming categories. Documents that will require this change include: The WUSPBA Contest Rules, sanctioning forms, and various music board documents.

Contest organizers; if this rule is passed at the AGM please ensure that you begin using the term open instead of professional on your website and any printed documents.

**PASSED**
