#### 27. WUSPBA Branches

27.1. Composition: The branches of WUSPBA will be the Northern Branch, the Southern California Branch, the Intermountain Branch, ~~and~~ the Great Basin Branch, **and the Desert Branch.**

27.2. Participation: Participation in branch activities will be limited to bands and solo members in good standing that resides in the appropriate geographical area for the branch.

28. New Branches: Additional branches of WUSPBA may be established upon approval by a majority of the Executive Committee.

#### Rationale:

The growth of WUSPBA and its bands has made it feasible to organize a new branch taking in New Mexico and Arizona. In the past it has been hard for people from Arizona to travel to workshops held in California. This would allow the new branch to have monies, to regulate their own education and workshops and branch contests.

**Only Arizona and Las Vegas...not New Mexico.**
